Case called for Status Conference.

The Government informed the Court that discovery is luminous, the same will be made available to the defense next week. After discovery is provided, plea negotiations will begin. They requested 90 days.

Defense counsel await the production of discovery to review with their clients.

(5) Victor Isaac Del Valle-Rivera: counsel informed the Court as to the defendant's medical conditions and lack of treatment at MDC. The Court ordered the WARDEN of MDC Guaynabo and/or the medical personnel to file a written report within 10 days as to the medical treatment being afforded to the defendant.

(29) Juan Francisco Torres-Huertas: Counsel informed the Court that the defendant is currently awaiting trial for murder in a state case. The matter will be discussed to determine if it will be considered relevant conduct and how it will impact negotiations.

The Court inquired from the Government as to the fugitives. The Government stated that efforts are being made to arrest them. A detailed report shall be provided in the next conference. An order tolling the STA will be filed as well as a scheduling management order. Counsel do not have to file motions to allow substitution as long as counsel that is present can provide information as to the status of the case.
